In the interest of time, we are forwarding this package to you as it had been developed before we received Latham's letter. Based on our initial review of Latham's package, we recommend that you include the following item in the DDCI's response:

- The need for a provision for alternates to attend NTISSC meetings and to function as a principal in order to provide representation at an appropriate level to follow through with the NTISSC's tasks while providing the flexibility to account for conflicts in schedules of the principals.

We are continuing our review of Latham's package and in the next day or two we will forward additional comments for inclusion in a memo to [redacted]. These are STAT

likely to include:

- Recommend changing the last sentence of paragraph 7, Section VII of the Governing Procedures of the NTISSC to the following: "Following receipt by the chair, the reports and recommendations shall be forwarded to the full NTISSC for review, formal approval or disapproval, and forwarded, as appropriate."

- Recommend changing last sentence in paragraph 5a of both of the proposed subcommittee charters to read:

"Dissenting views, with supporting rationale, may be provided by any representative, brought to the attention of the NTISSC Secretariat, and referred to the full committee."

MEMORANDUM FOR: Director, Office of Communications

FROM: [REDACTED]

STAT

Director, Planning and Policy Staff

SUBJECT: Background Material on NSSD/145

1. I have enclosed a copy of a proposed memorandum prepared by the staffs here regarding this subject. I did not send it officially but discussed the essence with the DDCI and D/ICS. Certain of the information may be of use to you in preparing the DDCI response to ASD C³I. As I indicated, John McMahon believes that both CIA and the IC Staff should have representation. VADM Burkhalter will call Latham to ensure he understands and supports this proposal.

2. Please give me a call when you have something finalized for the DDCI to sign. Since the D/ICS is out of town until next Tuesday, we may wish to wait to send the action letter for signature.
